Amy,  
Because of the 3-4 pay periods delay, do you want to postpone this request for SCORPIOS reports?

It generally takes 3-4 pay periods or longer sometimes for the amendments to show up. I don't know exactly how long but it varies. I'll ask Patty, she knows for sure. Do you see the PP amended you still reflecting in the report you changed it from?

I have been amending my time going back to September of 2014 to change my site charging from A6KC emergency removal to A6JP time-critical removal but this SCORPIOS report does not seem to reflect the changes. How long does that normally take to take effect?
